

The light is pink through the backs of trees
can be pine or larch or pear

kinship terms more familiar than names
can be distancing diminutivizing affirming no longer unfamiliar

power cut no inverter use the gas make tea

Above polished granite compound brown
beyond trees hills disappear into houses

Concrete lain over rebar hand-torqued into convexity
forms a solid gray unbeveled arch from hilltop to roofline to madan

Ostensibly maybe probably to keep errant exposed flanks of illegally-mined sand at bay
because beyond the trees within city limits resources are extracted

thin though thin through competition thin like chats shillongais thin through taking thin
through selling thin through use thin alkaline

Belt that looks like it's in inches
measuring the land they wanted to measure right up to the drain

he demanded they measure four feet from the drain and they wouldn't
they measured two feet from the drain

Multiply 1300 per sq foot by 150 by something and it
comes to seven crore and something

are you accusing me of making a mistake he said
it's eight

The light is still morning light
thin but full and not paining bright

Cat Kyntiak (later disappeared leaving
jean thread hangings tangling attachment

the vox-hollow bereft missing swipes)
motionless intent springing

curling into grass shadowed by reeds
shaded by the backs of trees

Like citrus vapor the light emulsifies

The jaws pink bat-like

begin to open and close
rapidly in a clatter

like toy teeth and hers are needles
on a wound spring

and she in a trance flashing the teeth the jaws
opening and closing very rapidly

from the throat an involuntary chatter an eck eck eck
frightening until a short echo sounds

She's imitating in the grass a small black bird nearly perfectly
as a kind of lure staring intent involuntary

Let out in the afternoon moon
hens

sawdust sticking to their heels
