

A FOOTPATH

A footpath in Mawkynew. A brighter brown than Roland Garros.
We are all of the view that the area is too congested, and as soon
as we can find a larger space to meet, we will move the group.

JUNCTION

Power comes into the box
from the street. On into the building
from the street, then is split.
Boxed unexposed.

The wires underground spray sparks
within capped frays and insulation
thicker than thumbs.

REDISTRIBUTION

You can understand the reeducation committee;
you can understand me.

The level-taking, and then the appeal
to equitable terms.

The white sauce thickened
by corn starch,
the reduction thickened by corn
starch, the reduction
of the stock.

Tracing out
the argument
as a contribution.

JOHN JAY

Schools should teach procedurality &
paramilitary protocol, and science
should be based on health-care
chemistry and human cell functionality.

WHIMSICAL PACKET

Medical element, preserved
tentacles,
strung walls, busted
umbrellas, rice,
lobster claws
strained violin tops,
scrolls, shower
stars, lone peach with
blossom, S.A.
eggplant colored bath
sticky star, hanging
ice-cube like, isolated
flecks, evidence of scrapes,
more fruits and bursts
faded and distressed.

MOVEMENT

Instead of trying to undo
while 'growth' mimics
development,
you must have self-confidence
or you will make other people
feel stupid
for investing in you.

WHY IT SEEMS STRANGE TO YOU

Songs arrive at the moment
of emotional impasse, when canned dialogue
can't sustain the emotions (thus, the plot),
and the thus characters 'realize'
they
are in the thrall of bad terms.

CERBERUS

When death was a master and not a miasma, not a failure
of health care, the graveyard sat within the town, city, square block.
When, sickened, you turned your eyes up...
Fuck the ward and its beeps
night as it creeps

CIRCUMSPECTION

Circumspection
 pushes outward
 to assimilate

Fatted,
 and then pushed
into higher state
 hood
 hoos
 hodding handling

Es gibt
Il faut
To a fault
 he crept

taken token
 too closely
 wrapped
